Growing up in a small town has been an experience for everyone at Harwich High School. Although some people have not lived in Harwich their whole lives, it has been an enriching experience nonetheless. We have had inspiring teachers that we will never forget, and friends that will last a lifetime. Everyone says how happy they will be when they finally get out of this "boring town". It seems ironic, but by the time we are gone, we will miss the time we spent here and be taken aback by how quickly it has gone by.

As we go out into the world, we will apply what we have learned from here and use it in our everyday lives. Good luck to everyone and thank you for all the unforgettable memories.

I just want to thank everyone that has helped me over the past four years of my life. First off, I'd like to thank my parents Jay and Debbie for their support as well as my grandparents and siblings. Without their support, high school would have been a lot tougher. I'd also like to thank all the coaches that I have had in hockey and all the guys on the team. Lastly, I just want to say thanks to all the teachers for simply putting up with me for the past four years and beyond. High school has had a lot of ups and downs, but for the most part it has been a good experience. I plan on taking the good memories and kicking the bad memories in the gluteus maximus.

I can remember looking forward to being a senior and getting out of this town. Now, I can't believe it's almost over. A class I once felt I was hardly part of has now become an integral part of my life. Maybe I'll never see some people again, but certainly, no one will be forgotten. I have to thank my parents and my sister, who have been my greatest teachers. Lindsay, you gave me some of the best times I've had while living here on the Cape, and I'll always remember it, keep in touch. Dee, you've been a good friend, always willing to give me food and even a job, good luck with basketball. The crew that was, we had a lot of good times. We've got one more summer, so let's make the most of it and save the goodbyes for later.

I hope you all do well at what ever schools you are going to attend after this year. Remember the Fleet Center, prom, and good times in the caf. You'll have to find someone else to do impressions—"Know what I mean?" As we go our separate ways, I'll remember all of you always!

That went by fast, huh? I need to thank my family for always steering me in the right direction and allowing me to just be me. 150 words simply is not enough space to give justice to the great friends and memories I've had over the years, so I won't even attempt to list the people or events. I'd like to think you all know who you are. You have all left a permanent imprint on me and I'm a better person because of it, thanks. So now we all go our separate ways. Some of you I thankfully will never see or hear from again, but I'd like to think I'll keep in touch w/ the rest. It's been a meaningless turd joust, but it's been a fun one. Time for The Riley to get thehelloutta dodge.

What can I say about these past four years at Harwich High School? There were good times, and bad times. There were good people and flawed people. But no matter what the situation, something good came out of it. Whether it was friends helping me out or teachers offering a point of advice, I always learned something new. Basically, when life gives you lemons, you make lemonade; when bad times fall upon you, you dig in your feet, and charge forward, for that is the way to succeed in life.

My years at HHS can only be described in an analogy with a game of Hungry Hungry Hippos. The game, as well as my high school days were crazyyy, but fun. And no matter how sick of it I was I always came back for more. Plus, I was never the pink one. Lets say those little white balls the hippos ate represented my friends. There were tons of them! HA! We might have been bumping into each other, but needless to say, we were all in the game together. I guess now that high school's over, it's end of the game. And those fat hippos are sending us in all different directions. Even though we might end up in different places, everyone had the best time getting there. I know, you can't play HHH with one ball, and you can't make it through HHS by yourself. Thanks guys.

I came into Harwich High School at the tail end of my sophomore year, not knowing anyone. In my time living here, I have made friends that I will no doubt keep well into my adulthood and have had many great times. First and foremost I wanted to thank my father and my mother for all the help and support they gave me through my high school years. I'd also like to thank Andrew (Best Friend), Danielle (other best friend), Beast (Ryan Our), Joe, Shawn, Alex, and Dave. You guys, though none of you go to Harwich anymore and will probably not read this, meant a lot to me through high school. Thanks. I have learned a lot in my four years of high school.

The 2004 Boys' Tennis Team enjoyed a successful season compiling a record of 12-7 finishing tied for second in the South Shore League. The team also defeated West Bridgewater in a tournament match before losing to the number 1 seed Norwell. Craig Drushella led the way at number 1 singles with an outstanding record of 18-3. This year's captains Jim Kelsey and Robert Smith played very well at doubles and freshman Chris Widegren was a force at third singles. With seven seniors graduating the team looks to reload. Juniors Frank Vitale and sophomore Dan Eldredge played well and will continue to contribute in the upcoming season.

Owning the Waters

"2004 was another great year for Harwich High School sailing team-even if our record wasn't so good. We were a group of sailors most of whom never sailed before joining the team. Given their tolerance for the frigid conditions of March on Nantucket Sound, they are a hearty group indeed. We improved through the year, and had a lot of fun throughout. We say goodbye to senior captain Jim Adams, who moves on to bigger and better races. Juniors Heather Mallory (co-captain), Meghanne Currie, sophomores Paige Mallory, Jess Hewitt, Brenden McVickar, Quincy Dewing, Mary Wesp, Brian Boyle, Matt Brown, and freshman phenom Sarah Hosseini rounded out the team. Next year, we expect an infusion of new blood in the freshmen class to continue the tradition. With a clear mind and a tight sail, we head up wind..."

Playing the Field

"Led by four senior South Shore League All-stars, Sharee DaLuze, Nichole Gomes, Danielle Nixon and Kate Robbins, the Lady Riders finished second in the league. Anchored by the four all-star seniors and standout freshman pitcher, Marianne Musk, the team advanced all the way to the Division III South Sectional Finals.

Offensively, the team led the league in stolen bases, bunt singles, and extra base hits. Defensively, they allowed fewer runs and stolen bases than any other team in the league. The 2004 team finished the season with the best softball record and post season performance in fifteen years."

..... Play Ball.....

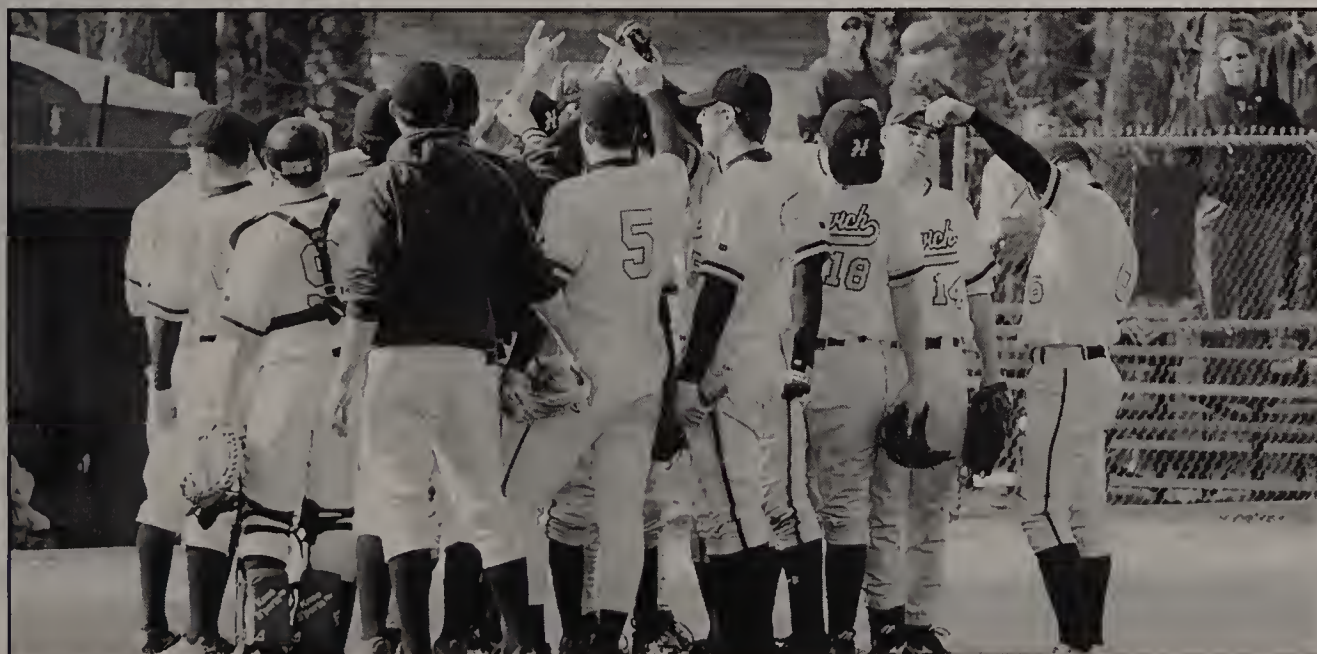

This 2004 Rough Riders turned our baseball season from a rebuilding year to another outstanding tournament year finishing at 11 - 10. This 2004 team, led by senior captain Sean Davis (a 4- year player), had large shoes to fill due to the large graduating senior Class of 2003. After beginning with 3 straight losses, we put together a 5-game win streak and a 10 - 3 mark before a tough 5 - 4, 8 inning loss to Norwell. Much credit for our success goes to the leadership provided by our seniors, Sean Davis (first base), Aaron Jamous (outfield), Rory Kelleher (infield), and John Hindle (infield). They kept that precious team chemistry, so important to our winning program intact, especially when there were so many rookies on the team. Pat Armstrong (junior) and Dan Guariglio (junior) filled a huge position behind the plate. Griffin Beaudoin (junior) Harry Ellis (junior) and freshman James Hamilton gave us a solid outfield and our infield, by Ryan Soares (sophomore) at shortstop, exhibited quality player in Joe Thacher (sophomore) at third and freshman Conner Burnham at second. Our pitching staff, led by veteran junior Adam McGillen, kept us in nearly every game. This staff is going to be developed into a top notch pitching staff with Jereff Clady (junior), James Hamilton and Ryan Soares. This program is still young and we look forward to another successful season in 2005. Many thanks go to our score keeper, Sarah Swanfeldt, Coach Bob Warner, Coach Jay Kristofolski, Mrs. Hamilton, Mr. Burnham and Mr. DeGroff for their time and efforts throughout our season. Our junior varsity team, led by Coach Peter Gonnella, also had an outstanding year and many of those talented players will have a major impact on the varsity team in 2005.

Girls on the Run!

"Harwich Girls Track completed another successful season in the South Shore League. Sophomore, Emily Robinson and Senior Pam Zabielski were honored by being selected to the SSI All-Star team. Marnie Rowe ended her track career with an unbelievable 550 points scored and two school records.

The future looks bright for the girls' track with six freshmen and six sophomores returning next year. Ashley Taylor, Emily Robinson, and Nora Sugermeyer were named as next years Track Captains. Special thanks to our graduating seniors Courtney Chin, Pam Zabielski and Marnie Rowe, your leadership and skills will be missed next year."

-Coach Zabielski

"The track season was so fun because of Mr. Zabielski's enthusiasm and compliments towards everyone. The team was pretty young but we still competed with big schools."

- Ashley Taylor (12)

"Last year's track season was a lot of fun because of all of the people and their willingness to try new things. Our team had a lot of fun and the Heptathlon training was exciting."

On the Run Again

"The boys' track and field team had a successful season both individually and as a whole team. The school 4x800m record was broken by the relay team of Brian Stines, Reid Booth, Sean Thibert, and Paul Laffin. The team record improved in the league of 3 wins up from 1 win in the 2003 season. All of our athletes contributed to the success of the team. Some learned multiple events so we could fill all positions making us more competitive. Older athletes taught younger athletes allowing everyone to discover their best events. We look forward to welcoming a new group of young athletes to the team each year. Through individual accomplishment we achieve team success."

-Coach Hopkins

"Track was something new for me. I enjoyed it, it kept me in shape."

-Brandon Henderson (12)

"Last year's track season was special to me because it was my first year in track and I gained new friends."

Take Your Mark...

"The boys' cross-country team enjoyed its most successful season in more than a decade, finishing with 10 wins and 5 losses, 3-2 in the South Shore League. The team was led by senior Sean Thibert, who finished first for Harwich in every meet, and junior Keith Ciccone. The scoring balance was provided by sophomores John Burgess, Matt Van Gelder and freshmen Joren Smith, Josh Keyes, Mike Stelma, and Patrick Blute, all of whom did personal best times. With seven returning underclassmen the future for the boys' cross-country team seems promising. For the girls' team, with freshmen Molly McWilliams and Marie Celin joining Jennifer Underwood, Kim Froughton, and Woodland Celin from Cape Tech, the team improved, gaining victories over Hull and Sturgis."

- Coach Bates

"At the beginning I thought we wouldn't have much of a team but a lot of people came out and we had a great team finishing the year with (10-5). For me it was good because I finally ran sub-18 minutes at our home course on the last meet of the year."

-Sean Thibert (12)

"This season was special for me because we were the first Harwich Cross-Country team to get a double digit winning record (10-5) for the season, and we all got along well and had a great time running as a team."

Going For The Goal

"2004 was another season of growth for the Harwich High School Girls' Soccer Team. We had 30 players on the team this year thanks to ten freshmen players. We achieved a high level of play competing in the always difficult South Shore League – able to match the play of these teams and control a significant amount of the play against all of them. While we struggled to play consistently through whole games, we had a major highlight in our 3-2 home defeat of Martha's Vineyard. We were led by three fabulous senior captains, Heather Mallory, Ashley Cook, and Ashley Taylor, who were the core of our team on and off the field. We will miss them greatly. Junior goalie Jessica Hewitt was a South Shore League All-Star, selected the top goalie for the league, and nominated as an Eastern Massachusetts All-Star. Next year, we hope to build on this year's strengths and break through against more of our SSL foes."

-Mr. Dickson

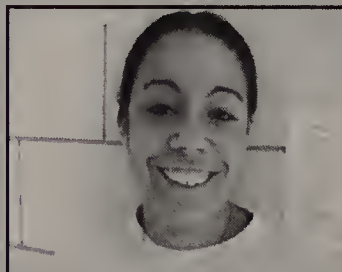

"My favorite part of the game was the opportunity to play."

-Jessica Hewitt

"Being a senior I put a lot of heart in the soccer season. We started off great, but had a slump, overall we had a great season with a great group of girls. I couldn't have asked for a better group of people to end my soccer season with."

Fire Zone

This year we exceeded expectations and finished 2nd place in the South Shore League while earning a berth in the MIAA Div. III Soccer Tournament. Our record was 8-3-1 in the SSL and 11-6-1 overall. In the tournament we beat Nantucket before losing to a very experienced Bourne team.

Led by our Junior captains Ryan Soares and Joe Thacher, our inexperienced Rough Rider squad showed a lot of heart and character. Playing with only one or two substitutes for most games, we held our own. Some of the highlights include a thrilling 5-4 win over Abington in a downpour in our season opener; a heartbreaking 1-2 loss at Carver; an unbelievable 6-3 win at Nantucket after trailing 0-3 at halftime; two huge games with Norwell (2-1 win at home and 0-0 tie away); a 1-0 win at home over Cohasset in a game that ended in darkness.

Next year we will have everyone back and they will be bigger, stronger, faster and more experienced. Our expectations will be much higher as we hope to be a contender for the MIAA Div. III State Championship and the South Shore League Champs as well.

-Coach Bill Altieri

"The best part of soccer this year was the win over Norwell at home for second place. After we won the game, it was the best feeling."

The Swing Of Things

"The '04 season has been a great success! The team graduated 5 seniors from a championship team and still has the talent to keep that distinction. Senior Jim Kelsey has done well in his matches this year which started with a 5-0 streak. Juniors Sean Leach, Andy Ottino, JJ Farina, Brenden McVickar, Cal Walsman and Kevin Ryder all proved through competition during our 17 matches. Sophomores Andy Walkley, Austin Marsland and Dan Eldredge are the future of another top ranked team. Our freshmen Ryan St.Pierre and Jim Clarke round out our roster and add the "long ball" to the success that is to come! My first year as a golf coach could not have been a better one."

-Coach Napier

"Being on the golf team was really great because we got to play a lot of golf with a great group of guys. We all got to know each other well and we had a great season."

-Austin Marsland (10)

"I am most proud of my team being able to come back after losing five seniors last year and winning as many matches as we did. The sophomores and the juniors were able to step it up and get the job done."

Sticking With It

The motto of the 2004 Varsity Field Hockey Team was "Exceeding Expectations" and they certainly did! After losing eight seniors to graduation, this young team came roaring back and captured the school's seventh consecutive league title, finishing UNDEFEATED and UNSCORED UPON in the South Shore League. They advanced in post season play to the South Sectional Semi-Finals.

Guided by the capable leadership of senior captains, Erika Hedmark, Jane Kelleher and Lindsay Ryder, the 2004 Team led the Cape in goals scored and fewest goals against. The team placed six players on the South Shore League All-Star Team: Amanda Gonsalves, Lauren Gonsalves, Jane Kelleher, Kristy LaFortune, Emily Robinson and Whitney Kropat. Amanda Gonsalves and Kristy LaFortune finished 1st and 2nd in total points in the State, and Jane Kelleher and Laurn Gonsalves finished in the top ten. This young team established their significant place in Harwich Field Hockey Tradition. -Coach Poore

"Being the varsity goalkeeper for the first time this year, it has been an exciting and fun year for me. We've had plenty of great games, but the highlight for me was the tournament game against West Bridgewater, when I made several saves."

-Whitney Kropat (11)

"One of my most memorable moments of this year's field hockey team was our tournament game against West Bridgewater. We came from behind to force the game into overtime and ended up winning. This game was a great example of our teamwork, heart, and determination."

Snapping For Success

Chris Beckler

"This season was one I know that I remember for the rest of my life. The team as a whole did well and we held nothing back. The main thing that made the season special was the fact that it was the last year I will play football with my freinds. We made it count."

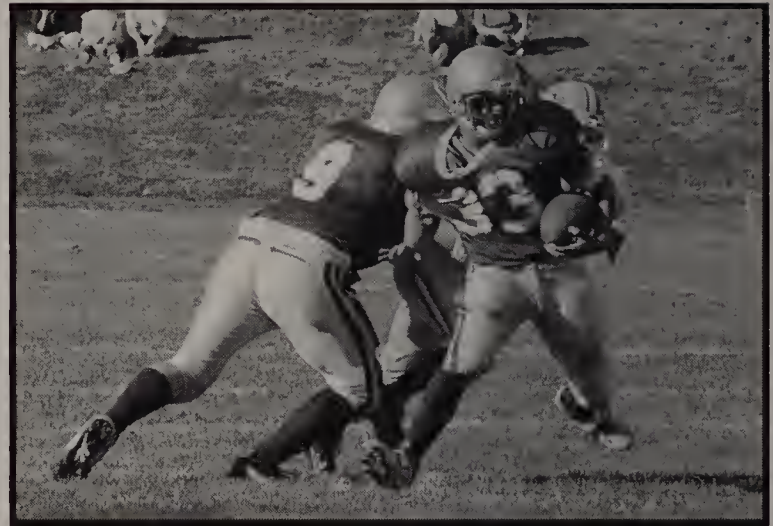

Pat Armstrong

"This season was important because it is my last year of football. I had played many years before with the other guys and with this being my last, I wanted to end it on a good note."

"The 2004 Cape Tech/Harwich Crusader football finished a memorable season with a 5-5 record, including big league victories over the likes of rivals Martha's Vineyard and Bristol-Plymouth. The team was led by Captain's Pat Armstrong, Matt Crocker, Riley O'Connor and Griffin Beaudoin. An explosive offensive attack was led by senior quarterback Harry Ellis and sophomore stand-out James Hamilton, who became the fourth runner in Crusader history to eclipse the thousand yard milestone. This senior heavy squad will lose 13 starters, many of whom played on both sides of the ball. The team took pride in the fact that whether a win or a loss, they continued the Crusader tradition of no nonsense, power football. The Crusaders hope to reload and enjoy another successful season in 2005."

"To date, the team has compiled a 13-1-1 record, has qualified for the state tournament, and is in first place in the South Shore League. We are ranked 6th in the state in Division 3. Had anyone asked me before the season how I thought the team would do, this would not have been what I anticipated. Last year, it took us until the very last game to earn a berth to the state tournament. This year, we were perhaps the first to earn that right.

This cast of players has truly pulled together and is playing unified hockey (Harwich and Provincetown). We have a very well-balanced attack with all three lines making significant contributions on a regular basis, a solid defense corps, and outstanding goaltending. The team has consistently received strong leadership from the tri-captains (Dan Guariglio and Mike DeCosta from Harwich and Mike Locke from Provincetown). The team has experienced big wins versus Norwell, Cohasset, Abington/E.Bridgewater, and Wareham (all teams that we lost at least once to last year). The players, to their credit, have worked extremely hard and are being paid dividends for their efforts. We have six games remaining before the tournament begins. WE CAN'T WAIT !!!!!!!"

Graduating Class of 2005

A Face in

"The accomplishment that I am most proud of in my high school career is being able to play football during the fall and have a lead role in the fall play, and still make honor roll for the term."

Jay Fleming

"I've probably been most proud of getting 1st chair 1st clarinet in the All-Cape and Islands Music Festival. It demonstrated my improvements from last year to this year and has motivated me to continue progress."

Rachel Langlais

"My biggest accomplishment was shooting a perfect 100 out of 100 in my shooting class. I've been shooting on the Bass River Rod and Gun Club small bore team for a year and half. There was nothing better than seeing my training pay off and getting every shot in the bulls-eye. I hope to make the US Olympic small bore team and compete in Beijing in 2008."

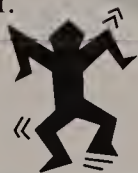

Dan Tobin

"I am proud of becoming the 2002 ISI figure skating world champion for Freestyle 8 and being accepted to the All-Cape and Islands Orchestra for violin."

Ashley Stevens

"My personal accomplishment that I am proud of while attending Harwich High School would be helping Rebecca and being such a nice friend to her."

Patricia DaLuze

"The personal accomplishment that I am most proud of is being named the junior and senior captain of the girls' varsity soccer team."

Ashley Taylor

"I am proud of my academic triumphs, and my athletic accomplishments."

Mike Leahy

"The personal accomplishment I am proud of is all the work I've put into drama productions."

Brian Boyle

the Crowd

"I've made a lot of accomplishments in my life, but the most courageous one was coming from Brazil to the United States and learning a new language. I am enrolled in all honor classes and getting good grades in each one. I'm extremely proud of what I've done, because I recognize the effort that I put into each course everyday."

Brenda Youssef

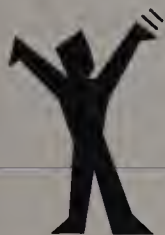

"I am most proud of being accepted into PCC during the summer of '04 and being successful in my classes "Adolescents and the Law" and "Sculpture." It is unexplainable and amazing. You really have to be there to believe the way that you will change and grow from that experience. I love PCC and will be going back this summer with my sister so that I can show her the experience that you can't explain."

Jennifer Lundell

"I am proud that I have accomplished having a lead role in Father of the Bride, and learning my part in two weeks."

Sarah Donnelly

"I am most proud of my work on the Cape-Wide Film Festival. I have loved the idea since conception; I had a vision and worked to fulfill it. I never could have dreamed of what I would become when I came to Mrs. Dorgan with the idea. I fell desperately in love with the project, and I plan to expand it and improve the festival until I leave the halls of Harwich High."

Kate Peters

"The accomplishment I am most proud of is designing a brochure for the artist John Grillo's reception at Cove Gallery."

Danielle Zoino

"I'm most proud of playing and having the experience of being a starter of the varsity soccer team and making it to the playoffs my first year in."

Denis Seramy

"I am most proud of the fact that my first year of high school football I was able to take a new position and play it well."

Jason Sennott

"I am the first Clady to go to college. All my hard work paid off. Going to college gives my parents a reason to be proud."

"The Class of 2006 is a unified and ambitious force. We have not only cooperatively worked together to raise money for the beautiful prom we are planning as well as fund-raised for our senior trip; we also raised money to benefit our community and others in need. We have fun-raised to for children in Romania, and put forth money to help Grace fulfill her dream to travel to Disney World. Additionally, we donate a package of clothes and toys to a less unfortunate child each year during Christmas time. Our class is unique because we welcome all new-comers to our meetings, including more than just the small percentage of class officers. Everyone in our class should be proud to be a part of such an amazing, determined, and successful group of people."

Our sophomore class has some of the hardest working and most spirited students in the school. We're the main workforce and top salesmen (and women) in the school, who raise funds through helping the Cranberry Harvest Festival. We sponsor dances and we donate gifts to needy students in the community at Christmas time. Best of all, we BRING THE WIN IN HARWICH HIGH! We are this year's Pep Rally CHAMPS, with the BEST cheer and a big WIN in tug-o-war, the WINNERS of the Can Drive contest, and the WINNERS of the Dodgeball tournament! We're the spirit of the school! We're on our way to the top! WE'RE ON FIYAHHHHHHHHHHHHH!!!!

The class of 2008 jump-started the year with a 50/50 raffle at the Cranberry Harvest Festival. They worked really hard all day in the rain to raise over \$800 for the class. They went on to make the Christmas of a local child by donating gifts to put under his Christmas tree. They'll be continuing a year of donations by collecting books for our soldiers overseas. We look forward to seeing what they have in store for the next 3 years!
